IMMENSE heating bills and not enough REAL heat to talk about aptly describes past winter conditions in thousands of homes. But while their neighbors were shivering in "cold storage atmosphere," hundreds of Kentucky users of

THE PECK-WILLIAMSON UNDERFEED
FURNACES AND BOILERS

Were living in perfect comfort all over the house. The Underfeed coal burning way—fuel fed from below—all the fire on top—insures as much clean, even heat from cheapest slack as highest priced coal which ordinary heating plants require. This enables Underfeed users to

SAVE 1/2 TO 2/3 OF COAL BILLS

Mr. J. E. Crider, President of the Cripe Creamery Company, Fredonia, Ky., relates his Underfeed experience thus:

"We installed one of your No. 739 Underfeed furnaces in our 12-room house about two years ago. We have found the furnace very satisfactory indeed. The furnace is extremely economical, burns easily and the heat is quite evenly distributed throughout the various rooms. We use nut and slack coal for fuel with perfect results and much prefer the Underfeed to any heating device with which we are familiar."

Send for our FREE books about UNDERFEED Furnaces and Boilers and let us PROVE to you that it will pay you to discard old-fashioned heating methods and install the satisfactory dividend-earning Underfeed Heating plants and services of our Engineering Department all FREE. Write today.

MURDER UNRAVELED

Mrs. Henry Hall of Huntington Robbed and Murdered by Elbert Arliss, Now in Jail

HUNTINGTON, W. Va., August 11th.—Standing over the bier upon which lay the body of Mrs. Henry Hall, which was found in the Ohio river at Catlettsburg, bound up with a rope, Elbert A. Arliss, who was the last man seen in the company of Mrs. Hall, after being subjected to a third-degree examination, tonight directed the police to his home, where in a crevice \$300 which belonged to the woman was found.

The police learned that Arliss had paid a number of large bills during the past few days, and this furnished the robbery clue upon which he was arrested.

He denied any knowledge as to how the woman was murdered, but stated that she had given him the money.

Mrs. Hall left her home Tuesday afternoon with \$450 in her possession which she intended depositing in bank. She never returned and no trace of her was discovered until the body was found floating in the Ohio river at Catlettsburg with a long rope tied around it.

DYSPEPSIA

"Having taken your wonderful 'Cascares' for three months and being entirely cured of stomach catarrh and dyspepsia, I think a word of praise is due to 'Cascares' for their wonderful composition. I have taken numerous other so-called remedies but without avail, and I find that Cascares relieve more in a day than all the others I have taken would in a year."

MAY PROVE FATAL.

When will Maysville People Learn the Importance of It?

Backache is only a simple thing at first; But when you know 'tis from the kidneys; That serious kidney troubles follow; That diabetes, Bright's disease may be the fatal end; You will gladly profit by the following experience.

'Tis the honest statement of a sufferer who was cured.

Thomas Rusak, East Second street, Vanceburg, Ky., says: "I suffered from kidney trouble and inflammation of the bladder for over ten years, some of the attacks being so severe that I really thought I would die. A complete retention of the kidney secretions existed and I called a doctor who drew the secretions from me with an instrument. None but those who have gone through this can imagine the suffering I endured. Some time ago I saw Doan's Kidney Pills advertised and I procured a box. Since using them I have had not had any trouble from my kidneys."

SCHOOLS IN 1950.
At 9 o'clock each morning
He left his parents' cot
And hastening to the schoolhouse
A city breakfast got.

Fast sped the morning session
And scholarly it proved,
While skillful city surgeons
His adenoids removed.

A manicure and masseur,
All by the city paid,
A barber and a valet
Each plied on him his trade.

When thus the hours of study
Had gone their way unchecked,
A five-course city dinner
His path of knowledge decked.

The city dentist's mercies
Wound up the afternoon,
And then a city tiffin
Came not a whit too soon.

The city left his parent
One duty to do well,
And so at night pa labored
To teach him how to spell.

SO ALARMED have the German brewers become over the teetotal wave that is sweeping the German Empire that they are inaugurating a National anti-teetotal propaganda by which they hope to stem the tide of public opinion that is rapidly setting against them. It is a significant fact that public opinion has been so molded in Germany that the brewers fear greatly for their future business.

Mr. John Brown, President, and Messrs. C. H. Gregg and E. S. Parrie, Vice-President of the Ohio Valley Oil and Gas Company, were in Maysville yesterday holding a consultation with Treasurer Allan D. What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medical, forest plants.
